ELI KLEIN FINE ART

462 West Broadway, New York, NY 10012

**To RSVP for the Anniversary Celebration please  
donate \$100**

**to [www.firstgiving.com/jbfworldwide](http://www.firstgiving.com/jbfworldwide)**

**The evening will include an art auction and fashion show, and will provide our guests an opportunity to kick off the New Year feeling great about making a difference through their support of the JBF Worldwide global initiatives to combat extreme poverty.**

**In 2009, JBF Worldwide brought food security to over 10,000 people in the Damaci region of Malawi, Africa, while substantially increasing the crop yields for over 1,000 families. Other 2009 highlights included:**

- The Partnership to Protect Children, which brought health and wellness professionals to Malawi to help train and educate community leaders and specialists in order to better serve the 1.2 million orphans and neglected children in the country
- The growth of the YLI Scholarship which is currently educating dozens of underserved orphans from child-headed households
- And most recently, a sponsorship from Abbott Laboratories (which donated various nutritional products) that will help fight the malnutrition epidemic affecting the children of Malawi.

Our 2010 EKFA Winter Fundraiser goal is to raise enough funds to complete our JBF Empowerment Center and help end extreme poverty for more than 25,000 people.
